DESSERTS

Christmas Lane Cake

We first made this delicious concoction over 25 years ago. It is an old recipe from the south, that has been improved over the years. "Too Kill a Mockingbird", made this cake famous. Scout describes eating one "so full of shinny it made me tight." "Shinny" in this case, refers to the bourbon. This is a bourbon laced cake, with a filling of dried peaches, dried cherries, pecans, and coconut with a meringue icing.
